

ROUND 2: TASK GUIDELINES

TIMELINE: T-50

Creatives envisions how you project Manfest-Varchasva to the outer world to create the desired impact for all stakeholders. It is responsible for designing & managing all visual communication for Manfest-Varchasva and City Run. This includes online posts across all platforms, offline branding, merchandise design and video production across verticals, pro-shows, competitions and LeadEx ensuring consistent and impactful representation of the fest.

Task:

Merchandise is one of the most exciting parts of any fest, it represents pride, belonging, and memories that last beyond the event. Your task is to design Manfest-Varchasva merchandise that resonates with IIM Lucknow students and reflects the fest's energy.

You have the following options for merchandise items:

- Hoodie
- T-shirt
- Oversized T-shirt

Pick any one (or more if you wish!) and design both front and back for each selected item. The designs should be creative, original, and something the student community would find relatable, fun, or stylish, while maintaining a connect with IIM Lucknow and Manfest-Varchasva. Also indicate the proposed colors for the merch.

Final Deliverables

1. Final merch design (minimum), designed using any design tool such as Adobe Photoshop, Adobe Illustrator, Corel Draw, Canva etc. If you are not familiar with any design tools, a hand-drawn concept map would suffice.
2. Mockups of the merchandise showcasing how the designs would look in reality.

Suggestions:

- Research inspiration from platforms like Pinterest, Freepik, and Behance.
- Take references from Manfest-Varchasva's Instagram page for themes and style consistency.
- Keep in mind the student vibe – minimalistic, quirky, or trendy designs often work best.
