

ROUND 2: TASK GUIDELINES

Timeline: T-50

There is a crucial category of competitive events under the “Dance Events” vertical of the fest. Each year, our focus has been to introduce some aspect to these events that is both challenging for participants and exciting for audiences to witness.

50 days left to go for the fest! Design the promotional strategy for all dance events in MV along with exact timelines. Promotions should have a direct impact on participation. Given below are some general guidelines to help structure your thoughts while completing the task:

- Initiatives (online and offline): the nature of each (showcase/competitive/non-competitive/crowd engagement)
- Infrastructural and administrative support required: venue, slots, permissions, manpower
- Cost estimates
- Timelines & tracking

These guidelines are not binding, so please feel free to present your event in the way you like. Our advice is to keep your task submission brief and precise, without compromising on attention to detail.

OR

Dance events attract a large number of participants and audiences every year. List down at least 20 prospective partners of the dance events along with their contacts, who you think will be interested in sponsoring the event. Also mention the deliverables from MV in terms of rights, engagement events and branding that you would pitch to the potential sponsor.

Our advice is to keep your task submission brief and precise, without compromising on attention to detail.

Final Deliverable:

A Word document or PDF file (max. 2 pages)/PPT (max. 6 slides) covering all necessary details.
