

IIM LUCKNOW 'S MANFEST - VARCHASVA 2026-2027

THE ANNUAL BUSINESS, CULTURAL & SPORTS FEST

ROUND 2: TASK GUIDELINES

TIMELINE: T-10

Let's talk business!

Management Events drives the end-to-end execution of national-level case competitions, engaging B-schools, undergraduate institutions and the corporate community. We conceptualise and execute competitions across diverse domains including Finance, Marketing, Strategy and more.

Task:

You're now the Marketing Brain of Manifest-Varchasva's flagship case competition. The competition is ready to roll, but there's a problem. Participation numbers are lower than expected, and the buzz just isn't where it should be. Your mission? Create a marketing plan that gets everyone talking. It should make social media buzz, fill inboxes with excitement, and leave every top B-school student eager to register. Think like a mix of an influencer, a strategist, and a storyteller. Your plan should be bold, creative, and sharply focused on turning this competition into the most talked-about event of the season.

As part of the marketing plan, you will also be required to create a database of minimum 100 college committees and clubs that can be leveraged to promote the case competition and drive registrations, with details such as college name, committee/club name, relevant point of contact, social media/professional profile, etc. The objective is to build a database of potential outreach partners who can help amplify the competition within their respective campuses.

Final Deliverables:

- 2-4 slide power-point presentation in pdf format (excluding Introduction and Thank You slides).
- Excel database of relevant college committees and clubs for outreach and marketing of the case competition.

Don't forget to include:

- Comprehensive details of plan, platforms, avenues with specificity
- Timelines
- Promotional strategies with estimated participation through those strategies
