

IIM LUCKNOW'S MANFEST - VARCHASVA 2026-2027 THE ANNUAL BUSINESS, CULTURAL & SPORTS FEST

ROUND 2: TASK GUIDELINES

TIMELINE: T-50

Let's talk business!

Management Events drives the end-to-end execution of national-level case competitions, engaging B-schools, undergraduate institutions and the corporate community. We conceptualise and execute competitions across diverse domains including Finance, Marketing, Strategy and more.

Task:

Nestlé & Groww has just jumped on board as a sponsor 50 days before the fest. Your challenge is to craft an unconventional case competition that does not follow the usual pitch-deck-and-judges routine. Think beyond the template and design an experience that is engaging, memorable and capable of pulling in the crowd. The events must include two qualifying rounds and one grand finale, along with a clear timeline. Surprise us with originality and prove that a last-minute twist can still create a showstopper.

1. Nestlé (Domain: Marketing): Pick any Nestlé product - such as Maggi, KitKat, Nescafé and reinvent it for a new audience. Now turn that challenge into a competition experience that gets participants thinking, experimenting, and winning over real consumers.
2. Groww (Domain: Finance): Pick any finance or investing concept and reinvent it for a new generation of investors. Now turn that challenge into a competition experience that gets participants thinking, experimenting, and engaging with the world of investing through Groww.

Final Deliverable:

- 4-6 slide PPT (excluding Introduction and Thank You slides) for both sponsors outlining your unconventional event design, including structure of all rounds, detailed timelines and how it ensures maximum participation.

Pro Tip:

- Creativity is celebrated, but feasibility wins the game. A great idea is one that can actually be pulled off.
- Timelines are not just dates on paper. Show us how you will build momentum round after round.
