

ROUND 2: TASK GUIDELINES

Timeline: T-0

There is a crucial category of competitive events under the “Dance Events” vertical of the fest. Each year, our focus has been to introduce some aspect to these events that is both challenging for participants and exciting for audiences to witness.

D-Day is here! Give the detailed, step-by-step execution plan along with the timeline for any two dance events conducted in MV with proper budget estimates wherever applicable.

OR

Your main-stage event ‘Imperio’ starts in one hour and all that could go wrong has happened. Come up with contingency plans for the problems mentioned below:

- 1. It has just stopped raining and you need to get the stage ready*
- 2. The rains have driven the audience away*
- 3. One of your local participants tells you he is stuck in traffic and won't be able to reach within an hour*
- 4. The fest pro-nite is scheduled to happen just after your event, so you do not have the option of delaying/postponement.*

Our advice is to keep your task submission brief and precise, without compromising on attention to detail.

Final Deliverable:

A Word document or PDF file (max. 2 pages)/PPT (max. 6 slides) covering all necessary details.
